ANNUAL MINISTERIAL/CONGREGATION EVALUATION

This form is designed to provide not only for your evaluation of the minister, but also for your general evaluation of the way in which the church is fulfilling its purpose, for your self evaluation of your own efforts on behalf of this church, and for providing information for establishing priorities for action. The simplified format calls for you to score each evaluative item according to the following:

On a scale of -, 0, +, with - meaning you disagree, and + meaning you agree. A score of 0 would mean you do not feel strongly one way or the other. No answer would mean you have no opinion, or you are not in a position to judge.

Please give the questions below your prompt, but thoughtful, consideration. You are also urged to add any written comments, either positive or negative, that you may have, for these will represent the most Important part of this evaluation. Use the spaces provided, and the back sides of this questionnaire, or attach additional sheets, if necessary .
