

TRANSITIONS...A message from your President, Linda Ice

I almost hesitate to use the word “transition” any longer as we seem to be more “in a groove” than we might have hoped. The calendar and the halls are abuzz with activities throughout the week, we continue to welcome new guests into our midst and with the exception of mostly weather-related challenges, Sunday morning attendance remains steady. I continue to be impressed with you and our community as we are working our way through these changes in ministerial leadership.

By the time you read this, we will be wrapping up what promises to be another successful Stewardship Campaign led by the incomparable, Mary Noer. The CircUUs SpectacUUlar was...well, spectacular! It is so much fun to see Westsiders come together to throw a great party and the time and talent that members and friends shared for this event is greatly appreciated.

The Interim Task Force has now submitted Westside’s application for an interim minister. Interviews and a decision will be made by mid-May. We all look forward to learning how this unfolds and on behalf of the Interim Task Force, we appreciate your positive thoughts and support as we approach this decision for our church community.

We will be holding our Annual Congregational Meeting on Sunday, June 8 following the second service. Please watch for details regarding lunch plans and exact start time as that date approaches.

Until next time, I look forward to seeing you in and around Westside!
