

From the Board

To the members and friends of Westside Unitarian Universalist Church:

As you have read, Rev. Shari is on track to accept a call with another congregation, and thus expects to complete her ministry with Westside before she begins her new call on August 1. We will miss her for the leadership she has shown to this congregation that has positioned us for growth to a Program size church, as well as the transition to taking full ownership back of this building after breaking ties with the Montessori School two years ago!

The Board of Directors is working to make this transition as smooth as possible. With any church transition, of course, there will be challenges, but we have been through this before and we will have good support. We have already contacted the Southern Region staff and the UUA Transitions Office as we navigate the next steps. We expect to enter the search cycle this month for an interim minister, to start serving our church in August.

We strongly believe that this transition can be a positive opportunity for reflection for our congregation, and for renewed commitment to our mission.

As we move forward, the Board welcomes your comments, questions, or suggestions.

Sincerely,
Carol Cappa, Board President
