

Westside's Worth

As you try to decide on your level of support, here are some things to consider.

Think about why you come to Westside.
What is it that you first brought you here?
What is it that **keeps you coming back?**

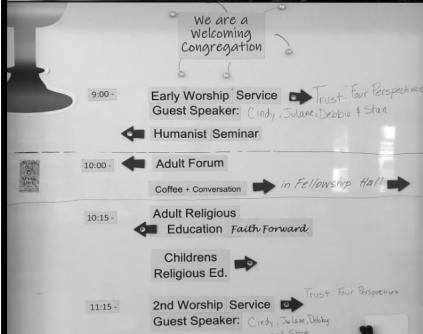

What's the right giving level for you? Our **Fair Share Guide** can help you identify it.

Our Mission:
Westside makes a positive difference in the lives of our members, our families, and the world at large through supportive relationships, religious and intellectual exploration and social action.

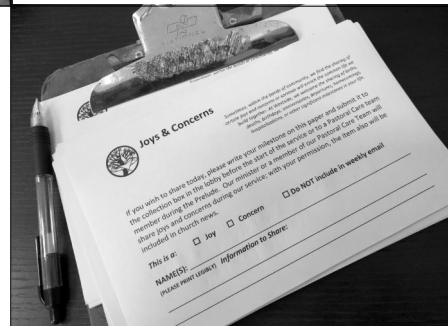

Don't "give until it hurts."
Give until you feel good about your support of what we stand for and what we do — **for you and for our community.**

While we greatly value your financial support, remember that giving can take many forms, including giving of **your time and talent.**

Our Vision:
Westside UU will continue to grow and continue to become a more influential liberal religious presence through active service to our community and the world at large.

Finally, think about what your life would be like without Westside.
