Worship Demystified Workshop Rescheduled for June 10th

Ever wonder how these Sunday services develop? Where do the opening and closing words come from? How do we line up guest speakers? And do you wonder if, maybe, you can join in? Join in the Worship Demystified workshop Sunday, June 10th, at 12:30 p.m. for answers to all these questions and more.

The workshop is divided into three parts. Stay for one, stay for a while, stay for all of it.

1. Nuts 'n' bolts: Everyone interested in participating in our services as worship leaders, chalice lighters, story readers, etc. should attend this. We'll show you all you need to know to participate.
2. Demystifying the process: Divine inspiration is not required for opening and closing words – are you surprised? We'll explain the aims and purposes of our current service structure. Feedback and suggestions are encouraged!
3. Got ideas? Here's where you can learn how to submit your suggestions for readings, speakers, music, etc., and join fully in the worship process.

Set aside some time after church Sunday, June 10th, and join in. You may find that the mystery is gone but replaced with a new kind of wonder about worship.

Bring a Friend to Church Sunday, September 2nd

It has been proclaimed from on high (not really, Russell just suggested) that Sunday, September 2nd will be Bring a Friend to Church Sunday. All Westside members are invited to extend the hospitality of our church to their friends on that day. While you are, of course, encouraged to invite your friends to church at any time, September 2nd will be a church-wide effort. Russell knows whom he is inviting. Gayle knows whom she is inviting. Do you?

The membership committee has printed up 50 brochures to offer your friends if you will use them. These brochures are pretty expensive to print, so please only ask Reed Bilz for a brochure if you'll really use it:-)

Welcoming Congregation!

At the congregational meeting on May 20th, Westside affirmatively voted to seek the designation of Welcoming Congregation from the Unitarian Universalist Association's Office of BGLT Concerns. The congregation has given six educational sessions, made bylaws changes (also voted on at the 5/20 meeting), and taken other action steps in order to ask for the designation. The necessary paperwork to seek the designation was sent in by Russell Elleven on May 21st, 2007 and was acknowledged by that office on the same day. Thanks to Reed Bilz, Gwen Gipson, John Huffman, Sandy Myers, Bill Terry, and Mignon Vogel who made up the committee who oversaw the process.

Congratulations Westside!

OUR MISSION STATEMENT

WESTSIDE UNITARIAN UNIVERSALIST CHURCH MAKES A POSITIVE DIFFERENCE IN THE LIVES OF OUR MEMBERS, OUR FAMILIES, AND THE WORLD AT LARGE THROUGH SUPPORTIVE RELATIONSHIPS, RELIGIOUS EXPLORATION, AND SOCIAL ACTION.

OUR VISION STATEMENT

WESTSIDE UNITARIAN UNIVERSALIST CHURCH WILL GROW AND BECOME A MORE INFLUENTIAL LIBERAL RELIGIOUS PRESENCE THROUGH ACTIVE SERVICE TO OUR COMMUNITY AND THE WORLD AT LARGE.

Thank You Westside!

On May 20th the congregation of Westside Unitarian Universalist Church unanimously voted to make a substantial commitment to increase ministerial time and, thus, compensation. I just wanted to say "Thank You" for taking this leap of faith. This has sent the message that you have faith in me that I might be able to serve our church in this increased capacity. You also have faith in our church that we can continue the momentum which seems so obviously clear at this time. That we share this faith in the mission and vision of our church is both humbling and exciting. I cannot tell you how much I look forward to January 1, 2008...thank you Westside!

- Russell

Where's Russell in June?

Adult Forum

9:45 AM. - 10:40 AM.

NOTE: Forum times have been changed, as most are aware, from beginning at 9:30 and ending at 10:30 to the later times of 9:45 to 10:40. We continue to alternate subjects between World Religions and Great Ideas of

Philosophy. (When it is necessary to save that time for important church communications, the Forum schedule will continue at the point from which it last was held.) Here is the schedule for June as it now stands:

- June 3rd: From Pagan religions to Hinduism
- June 10th: The Cosmos---What is it made of?
- June 17th: Hinduism, continued
- June 24th: The Greek Tragedians on Man's Fate

Sunday Services

11:00 AM. - 12:00 PM.

June 3rd - *The Power of One* by Liza Ely. It is easy to move into a state of despair and hopelessness as we become better informed about the state of our earth. Yet, the beauty and the sound of one single bird can touch our hearts deeply. Let's explore how we can each sing our own personal song to bring healing to our world. Liza Ely, a UU since 1977, is one of the original SW District Congregational Consultants and was a faculty member of Dwight Brown Leadership Experience. She is a trained facilitator for Pachamama Alliance, an organization committed to bring forth an environmentally sustainable, spiritually fulfilling, and socially just human presence on the planet.

June 10th - *Felix Adler* by Nancy Van Boskirk. Felix Adler is considered the founder of the Ethical Culture movement. Without him, something like Ethical Culture may have developed, but it would have lacked the singular influence of his passionate energy and vision. Nancy Van Boskirk will introduce us to this fascinating man, who lived in the 19th century but whose ideas are still fresh and vital today.

June 17th - *My Struggles with the Bible (Part II)* by Dr. Russell Ellevén. In part two of a two-part series, come hear how Russell has struggled with the Bible and how he relates to it today. Perhaps you have had the same struggles and can relate to his story? This two-part series precedes Russell's July reflection entitled *My Struggles with Jesus*.

June 24th - *The Thing Which I Greatly Feared Is Come Upon Me* by Alan Wilhelm. ... and boy am I glad. Alan Wilhelm will share his thoughts, inspired in part by the title's words from the book of Job, on how fear influences our lives.

HAPPINESS IS THE ONLY GOOD. THE PLACE TO BE HAPPY IS HERE. THE TIME TO BE HAPPY IS NOW. THE WAY TO BE HAPPY IS TO HELP MAKE OTHERS SO.

News from Down Under

Roger Pym, the UU minister from New Zealand who visited us when GA was in Ft. Worth, sent me the following email. Roger really enjoyed his time with us and was most appreciative of the many kindnesses shown to him by Westside. If anyone wants to correspond with him, you can reach him through his email address: rogerp_nz@yahoo.com. I have responded to Roger, telling him that I have shared his information with our congregation.

Greetings Everyone!

Sorry this is a bulk email to all of you to bring you up to date with what's been happening for me.

Back on March 20th I was admitted to hospital following about six weeks of having difficulty swallowing - this problem gradually got worse. The next day I was diagnosed with cancer - lymphoma. I have basically been in hospital since - with a week out following the first chemo treatment - but was readmitted due to an infection. The treatment is 6 lots of chemo with two weeks off in between. The chemo is a five-day hook up.

I am currently out for a few days before going back in for the second blast of chemo. The prognosis is good as the cancer has not spread, and if it hadn't grown up my esophagus it may not have been detected for some time.

I remain positive and am surrounded by lots of loving friends and support.

Anyway, I just wanted to let you all know. Hope all is well for all of you!

Blessings,

Roger

INSIDE WESTSIDE Annual Congregational Meeting Held

On Sunday, May 20, 2007, following a well-attended potluck lunch, a quorum of Westside members met to vote on several issues and to discuss others. President Brenda Baldwin called the meeting to order at 1:00 p.m., recalling the many accomplishments of Westside in the previous year – including the purchase of a permanent home for the church and the attainment of a NTAUUS grant to assist on bringing Dr. Russell Elleven into a full-time ministry position.

Charles Palmer reviewed the church's cash-flow projections for the next four years and next year's budget.

Nominees to the Board were announced and later elected by a majority: Brenda Baldwin, President (1 year); Walt McConathy, Vice President (2 years); Charles Palmer, Treasurer (2 years); John Nagely (2 years); Amanda Oglesby (2 years); Dianne Nixon (2 years).

Nominees to the Nominating Committee were announced and later elected by a majority: Carl Romano, Cathy McConnell, Michael Oglesby, Caroline Nixon, and Beverly Archibald.

The members voted unanimously to become a UUA Welcoming Congregation, as a final step in declaring their determination to provide a safe, welcoming place for the gay, lesbian, bisexual, and transgendered community.

Members also voted unanimously to call Dr. Russell Elleven to the ministry of the church in a full-time capacity beginning January 1, 2008.

John Huffmann was named Volunteer of the Year and received a standing ovation for all his efforts on behalf of the church in 2006. Bill Terry received a T-shirt in thanks for his work as Board President in the previous year. Dr. Russell Elleven was presented with a preacher's stole, given by appreciative Westsiders.

After the bylaws were amended to be consistent with Westside's newfound status as a Welcoming Congregation, the meeting was adjourned at 3:00 p.m.

BRIC Report to the Congregation

If the following information sounds a bit familiar, that is because it is. The below was shared in the May 20 report to the congregation. Since not everyone who receives the newsletter was able to attend the May 20 meeting, we felt the below information would be worth repeating.

First of all, the Building Repair and Improvement Committee (BRIC) is happy to report that we have met our first goal: to ensure the \$7500 set aside in escrow at the time of closing was spent by May 23 toward either: roof repairs, HVAC needs or electrical issues.

As of May 15, Artic Air invoiced Westside in the amount of \$7,650 for work performed on specific HVAC repairs recommended at the time the building was inspected. This work concludes what the BRIC has identified as the first phase of the HVAC improvements. Phase two includes replacing the unit located in the rear of the sanctuary and relocating it to an alternate location. We believe this will eliminate the noise currently perceived by some as a disruption to the Sunday worship service and will also allow future remodeling of the closet to provide more seating space. With all the HVAC work performed, the BRIC's goal is to ensure we meet building code compliance and we increase the overall efficiency of our HVAC system.

- EDMUND BURKE

At the time of this newsletter submission, scheduling of the electrical repairs is set for May 22, and roofing repairs are currently being coordinated; with an ideal completion date of mid to late June.

The BRIC's second priority was to develop a process by which Westside members could submit their recommendations for building and grounds repairs and improvements.

On May 13, the BRIC presented a form for the congregation to use when making recommendations for building/grounds improvements. The BRIC is currently discussing the method by which it will ensure follow up with all individuals who submit a form. Hard copies of the form are available at the church and electronic copies of the form will soon be located on Westside's website.

Completed forms are essential to the process and will be requested from all who wish to submit a recommendation for building/grounds improvement. By sticking to this process, the BRIC hopes to provide a consistent method for everyone to provide input.

The BRIC's next goal is to develop a master plan for completing these repairs/improvements. As stated in our May newsletter, this plan will incorporate the congregation's input. The BRIC's goal is to submit this plan to the board by July 1.

The BRIC is working with the board to finalize a date this fall to complete the repair/improvements for which funds are available. Those items for which funds are not available will be placed on the "to do" list as specified in the master plan.

Finally, the BRIC is also doing its best to keep the lines of communication open. The congregation can expect to see ongoing updates of its progress in the monthly newsletter, along with an open account of the funds being spent.

As of the time of this newsletter submission, the BRIC's current funds were as follows:

DONATIONS OF MEMBERS AND FRIENDS	\$55,531.63
BOB CONTI CHALLENGE GRANT	\$25,000.00
UNALLOCATED CAPITAL FUNDS	\$72,379.02
FUNDS ESCROWED BY AOH CHURCH	\$7,500.00
TOTAL FUNDS	\$160,410.65
BUILDING INSPECTIONS	\$1,175.00
DOWN PAYMENT ON BUILDING	\$100,000.00

CLOSING COSTS	\$1,510.18
HVAC IMPROVEMENTS	\$7,650.00
TOTAL EXPENDITURES	\$110,335.18

FUNDS REMAINING FOR BUILDING REPAIR AND IMPROVEMENT	\$50,075.47
---	-------------

In the months ahead, you will see a detailed account of our expenditures, so that you know exactly where the money that we have raised is going.

In the meantime, we thank you for your patience – there is SO MUCH TO DO, and so little time!

The BRIC's members are: Angel Montessori School (AMS) Representative: Cindy Greaves-Herridge; and Westside UU members: Bob Vann, Janice Williams, Jill Jung, Maria Schmidt and Committee Chair, Gayle Elleven.

As a reminder: the purpose of this ad hoc committee is, with input from members and friends, to develop and present to WUUC board a master building and grounds repair/improvement plan which improves building safety/code compliance and enhances the overall aesthetics of the building, all while making fiscally prudent decisions and remaining consistent with UU principles and Westside's mission and vision.

Help With Parking

If you are physically able, will you please park in the parking lot on the east side of Lipscomb St. on Sunday morning? This will leave more space for those with mobility issues, those with small children, and those visiting our church for the first time to park closer to the entrance. The walk across Lipscomb can be difficult for folks with physical challenges, and those new to our church will not realize the Lipscomb parking lot is available until we can get signage in place (it's the lot with the large white unprinted sign between two driveways). Your help is much appreciated.

New and Familiar Faces

By Elizabeth Campbell

After living much of her adult life in Minnesota, Chicago, and the Los Angeles area, Linda Jenkins returned to Fort Worth three years ago. She described her feelings of returning to her childhood home. "Returning to the heavily Republican Bible Belt has been a shock," she wrote. Linda first visited Westside when we held services at Temple Beth-El. Linda spent time at a UU congregation in Claremont, California and enjoyed the experience. She found Westside to be the perfect place for her "progressive" political views. "I appreciate the warmth and humor at Westside, the terrific preacher, the opportunity to be part of a growing community and a new building, the musical

and playful character of much of the congregation, and all the lovely people who have so much to teach me." Linda found Westside on the Internet.

An accomplished writer, Linda is finishing her first mystery novel set in the fictional town of Preston Bluff, near the Navasota River. Linda also co-authored and co-edited the revised anthology of "Women in American Theater." She is also a guest columnist for the Fort Worth Star-Telegram. Her first editorial was published in March, and her next piece is scheduled to appear in the June 16 newspaper editions. Linda graduated from Rice University with a Bachelor of Arts degree in English, and she later received her Ph.D. in theater from the University of Minnesota. She spent nine years in Minneapolis, teaching and raising her family, before moving to Chicago where she taught at Northwestern University.

In 1989, she moved to Los Angeles where she worked as a story analyst for television and film. Since returning to Fort Worth three years ago, Linda is active in her White Lake Hills Citizens on Patrol and in a local choral group. She also loves going to libraries and to the Bass Hall.

His subject will be the very serious one of 'Overpopulation.' All Humanist meetings are open to visitors, and this particular program should be of interest to all Westside members. Mr. Smith's column appears in every Friday's edition.

Westside Great Books - Meets

Voluntary Simplicity

In September, an eight-week discussion course titled, "Voluntary Simplicity" will be offered at Westside. This program was developed by the Northwest Earth Institute in Portland, Oregon (www.nwei.org). From initial meetings at a handful of Portland-area UU churches in 1994, the idea has spread to over 1,000 study groups in various settings throughout the country.

The course book, about 100 pages, contains a well-chosen, diverse collection of short essays, articles and book excerpts organized around weekly themes. The study group will provide a supportive setting in which to examine personal values and habits. Coordinators are Linda McConathy (817-294-5894) and Mary Noer. Please call with any questions.
