

An Update on Our Minister Transition

The Board of Directors appreciated all of the feedback received at the special Town Hall meeting held on

May 17, and via email to board@westsideuu.org. Congregational input leaned strongly toward hiring a full-time interim minister to maintain Westside's ministry and continue in our mission and vision. The board's Interim Minister Search Task Force went on to complete the first round of the search with the intent of hiring a full-time interim minister.

Unfortunately, Westside did not make a match in the first round of interim minister search. We still have the opportunity to do so. We are entering the second round and are optimistic about making a good match. We will know the outcome by June 10 or so, and will keep you informed. Rev. Woodbury will conclude her service to Westside on June 30 and it is our expectation that the new interim minister will start on August 1.

We will continue to communicate with the congregation via email. You can also find information about the ministry transition on a [special page](#) of our web site.
